Dear Mr. Walton,

I really appreciate you taking the time to come out and speak to our student-athletes at Orange Lutheran. It was an honor to have a former player and current broadcaster share insights not only into the game of basketball, but also into ways to approach success in all aspects of life.

Personally, I really enjoyed hearing your explanation of Coach Wooden's "Pyramid of Success." I have heard it discussed in a variety of settings, but I believe you provided clear detail as to how he wanted it to be viewed and its application in all parts of life.

Once again, thanks for coming out to our campus. We appreciate the opportunity and will be watching as you broadcast many of Gabe York's games at Arizona.

Sincerely,

Chris Nordstrom
