

David,

We are grateful for you and your continued commitment to empower at-risk youth through WHW's Boys2Men event. Thank you for taking the time to come speak to these young men to inspire them to think and see the world through a different lens. I know you made a lasting impression on them and appreciate your ability to relate to them. These young men are in dire need of role models and we are thankful for your support and Bascom's investment in WHW's Boys2Men program.

Gratefully, Robyn
