Dear Bascom,

February 19, 2015

Thank you for your generous contribution. As you are aware, it will go towards the purchase of a vehicle that will greatly enhance the life of a local paraplegic. This individual competes and reaches the medals stand at the world level Paralympics and has turned his injury into a chance to inspire others.

Your unselfish act is appreciated and has not gone un-noticed by the many involved in the efforts to support this individual. Thank you and we look forward to more interactions with you as we complete the purchase of the vehicle.
