The Bascom Group

Dear David,

Thanks to the incredible support of you and the entire Bascom Group, our Dreamers are beginning the new school year with the tools they need to succeed.

As you know, our Dreamers come from underserved communities and impoverished circumstances. This generous contribution to our work will help us to prepare these young people to achieve their full potential and create new opportunities for themselves and their families through our long-term, whole-child program of academic enrichment, mentoring, tutoring and college scholarships.

So, on behalf of the "I Have a Dream" Foundation – Los Angeles, our Dreamers, and their families, a very warm thank you to the entire Bascom Group for supporting our Back to School and Transportation Drive through a contribution of \$25,000. Of this, \$9,000 will be used to ensure that our middle school Dreamers have all supplies needed for this school year, and \$16,000 will be used for transportation and bus passes so that our Dreamers are able to get to school.

We are so appreciative of Bascom's ongoing support, both as a valued donor and also through your role as an integral member of our Board of Directors. The generosity of donors such as Bascom is enabling children in the Greater Los Angeles area to be able to rise above the academic and social challenges they face. Thank you for helping to break the cycle of poverty and for providing our Dreamers the opportunity to achieve their dreams.

Warm Regards,

Debra Fine
