Dear David,

We are so thankful and appreciative of your continued support of the Emeril Lagasse Foundation. Your involvement means so much and allows us to achieve our mission of inspiring, mentoring, and enabling youth so that they can reach their fullest potential. Thousands of kids are impacted by our work, but we can't do it without friends like you.

Each year, we are overwhelmed by your generosity and pleased to know that we can count on your investment. Your philanthropic spirit is both inspirational and contagious.

We are lucky to have you a part of the Emeril Lagasse Foundation family and hope to partner with you for years to come. Together, we can continue provide the motivation, skills, nutrition, and inspiration to those in our communities who need it most.

Warmest and most sincere regards,

Emeril J. Lagasse, III
