Mr. David Kim, Managing Partner
The Bascom Group
26 Corporate Park Dr., Suite 200
Irvine, CA 92606

Dear David:

On behalf of Veterans First, I would like to extend my deepest thanks to everyone at Bascom Group for their generous donation of time and food to provide an amazing Thanksgiving meal to the homeless and low-income veterans of Orange County. Your support means a great deal to our heroes in their time of need during this holiday season.

The employees who volunteered spent hours turning our service center parking lot into a festive dining area as well as preparing and serving a delicious lunch that went on to feed approximately 100 people. Their dedication to the community should be commended.

For over forty years, Veterans First has been the only 501c(3) community organization to provide services exclusively to homeless and at-risk veterans and their families within Orange County. Along with our 10 permanent and transitional housing facilities and our Santa Ana service center, we assist our clients with veterans benefits identification and assistance, case management, mental health & substance abuse counseling, food, clothing, life skills, job search and employment training.

Once again, we appreciate the Bascom Group's continued support of Veterans First and hope that we can continue to work together moving forward. If you personally know of any veteran and their dependents that may be in need of our services, please do not hesitate to refer them to our service center, located at 1540 East Edinger Ave., Suite D, Santa Ana.

Sincerely,

Deanne Tate
President and CEO
